As the crew in a boat race never stop short when they cross the finish line, but ease up for a few lengths, so the class of '44' rest on their oars awaiting the call for service in larger fields. The race is over, but life's work never is done while the power to work remains.

From our intimacy during all the years, we tender this volume as evidence of their attainments and industry, which in a large measure is due to their ardent cooperation with an aggressive and enlightened corp of teachers.

Class History

We, the class of "44" can remember way back four years ago when we were meek Freshmen. Helping us to get acquainted with the new rules which had been put upon us when we entered our Freshmen year were our ever faithful sponserers. The officers elected to lead our class were:

President	William Basney
Vice President	Donald Bassett
Secretary	William Lutz
Treasurer	Lewis Guyor
Student Council	Rosemary Walton

After struggling through a touch Freshmen year we entered our Sophomore year full of plans and ready for hard work. We gave the biggest dance of the year, "The Sophomore Swirl" accompanied by the Lozon Orchestra. We spent many painstaking hours decorating for Baccalaureate, and sponsered several bake sales, and candy, and hot dogs also at the games. Those officers who were elected to help guide us along the rough road were:

President	Milton Tennent
Vice President	Irene Langell
Secretary	Gloria Garlock
Treasurer	Arlyne Hoshal
Student Council	Betty Christy

Entering our Junior year we felt proud and full of enthusiasm to climb even higher. We sponsered a magazine sale which was a real success. We gave the seniors a banquet and Prom well worth remembering. Those elected to be our officers were:

President	Betty Christy
Vice President	Helen Tripp
Secretary	Frank Filipkowski
Treasurer	Don Bassett
Student Council	Donna Baker

After striving for three years we finally reached the top of the ladder. We did many things to make our senior year happy, profitable, and enjoyable. The biggest event of the year was our Senior Plya which proved a success both socially and financially. Some of the things we did to make money were selling Christmas cards, and bracelets and pins. The money we made went towards our class trip that everyone had been waiting for so long. Our Senior Class officers were:

President	Betty Christy
Vice President	Kay Meyer
Secretary	Mary Smith
Treasurer	Rosemary Walton
Student Council	Myrtle Erdbecker

The Marine City Wildcats played second fiddle to the Armed services in football this past year. It was not only a shock to the team to lose most of the starting line-up, but there seemed to be a moral let down for the first few games. However Marine City has nothing to kick about because those boys now in the service are playing a much bigger and more serious game. Although we did lose a lot of our boys, we still had a football team. Most of our boys this year were young and inexperienced, but in every game they went out on the field with the will to win, and never quit fighting until the final gun.

Marine City was seldom pulled down by a running attack. It was mostly by aerial attack as only one team ran away from them on the ground because of their fast backs. This credit belongs
